IT MAY BE TIME TO EXPLORE A REAL ESTATE CAREER

*Your next professional move
could begin with education.*

FEELING STUCK IN YOUR CAREER? YOUR NEXT MOVE COULD BE REAL ESTATE

Do you feel as though you have reached a dead end in your current job? Maybe you want more flexibility, greater income potential or the opportunity to build something of your own.

You do not have to remain stuck. A career in real estate could provide the new professional direction you have been looking for, and you can begin preparing without immediately leaving your current job.

5 SIGNS IT MAY BE TIME TO EXPLORE A REAL ESTATE CAREER

1. YOU WANT MORE CONTROL OVER YOUR PROFESSIONAL FUTURE

You are ready to move beyond waiting for the next promotion, raise or opportunity and begin building a career in which your growth is more closely connected to your effort, skills and relationships.

2. YOU WANT GREATER FLEXIBILITY

Real estate can offer more flexibility in how you structure your work. It still requires commitment, discipline and consistent effort, but it can give you greater ownership over your professional schedule.

3. YOU ENJOY HELPING AND WORKING WITH PEOPLE

Successful real estate agents help people make important decisions, solve problems, negotiate, communicate and move confidently through major life transitions. If you enjoy serving others, real estate may give you an opportunity to turn that strength into a rewarding profession.

4. YOU WANT TO USE THE SKILLS YOU ALREADY HAVE

Your experience in education, sales, customer service, hospitality, government, the military, entrepreneurship or another profession may have already helped you develop skills that transfer well to real estate. Communication, leadership, organization, problem-solving and relationship-building are all valuable in a real estate career.

5. YOU ARE READY TO BUILD SOMETHING OF YOUR OWN

Real estate is more than showing homes. Agents must develop relationships, generate business, serve clients and operate with an entrepreneurial mindset. If you are ready to take greater ownership of your future, real estate could be your next move.
